## MOBILE PHONE SERVICE

Royal Caribbean International has an advanced roaming network onboard all ships allowing you to make and receive calls, voice mail, text messages and GPRS data using your own mobile phone and telephone number.

### What are the mobile phone rates while onboard?

- Rates for usage of your mobile phone are determined by your home carrier.
- You will be billed by your home carrier for your international roaming usage on your regular mobile phone bill.
- For more information, please contact your home carrier customer service.

## WI-FI SERVICE FAQ

Is Wi-Fi available throughout the whole ship?

- The service is available in select areas of the ship.

## HOT SPOT MAP

### Voyager of the Seas® Hot Spot Locations:

- |   |                |         |   |                   |        |
|---|----------------|---------|---|-------------------|--------|
| 1 | High Notes     | Deck 14 | 4 | Pig & Whistle     | Deck 5 |
| 2 | Solarium       | Deck 11 | 5 | Schooner Bar      | Deck 4 |
| 3 | Café Promenade | Deck 5  | 6 | Conference Center | Deck 2 |

### Can I access GPRS data service (i.e. check email, surf the net, etc)?

- If your home carrier supports GPRS data service, you can use mobile phone service with compatible GPRS data capable devices to check email, surf the internet, and share photos while onboard just as you would at home.

### How do I call to USA, Canada, and the Caribbean when onboard?

- Dial 1 + area code and number just as you would at home.

### How do I call to other countries when onboard?

- Dial "+", the country code and the full number.
- Verizon Wireless/Sprint users dial "011", the country code, and the full number.
