LET'S GET STARTED

Connect with any Wi-Fi enabled device such as your laptop, tablet and smartphone.

- On your personal device, connect to the Wi-Fi network named "royal-wifi"
- Open your preferred browser, navigate to any page, and the royal caribbean online home page will appear
- Click "**REGISTER FOR A NEW ACCOUNT**"
- Select a plan to fit your needs, complete the payment information, and click "**NEXT STEP**"
- Follow the prompts to create a username and password. Both are case sensitive

You're all set! High Speed Internet service is available throughout the ship, keeping you connected no matter where you choose to relax

ACCESS YOUR ACCOUNT

Log in to your existing account after an internet package has been purchased.

- On your personal device, connect to the Wi-Fi network named "royal-wifi"
- Select "**LOGIN TO YOUR ACCOUNT**"
- Enter your username and password to log in to your account. Note: If you have purchased a one device package, you must log off your account on one device to access it from another. To log off please type "**LOGOFF.COM**" in your address bar.

FORGOT YOUR LOGIN?

Remember, both your username and passwords are case sensitive. If you need further assistance retrieving your login information, call Guest Services at ext. 0 for additional technical support call Communications at 1950

IMPORTANT DETAILS FOR YOU

- You must have an active SeaPass account in order to purchase an Internet plan
- Internet plans cannot be upgraded and a new one cannot be purchased until your current plan has expired
- When purchasing an additional Internet plan, the system will ask you to register a new account. You may reuse the same username and password.
- Internet connectivity is available throughout the entire ship.
- Internet access ends at 8:00 am on the morning of departure

QUESTIONS?

Click on "FAQs" in the upper right-hand corner of the royal caribbean online homepage for more information. If you need to log-off, please type "**logoff.com**" into your web browser.
